

Anniversary brochure 75 years of Eawag

April 8, 2011 | Andri Bryner

Topics: Drinking Water

In six chapters, the brochure "The highlights of Eawag" provides an insight into water research in the past, the present and the future.

Because it was always one of Eawag's strengths to learn from the past, be active in the present and plan for the future, as Directress Janet Hering writes in the editorial. You can scroll through the brochure (Flash version) in German, French or English or download it as a pdf file (6.5MB). Printed copies are also available free of charge at info@eawag.ch.
