

September, 26th 2019 :: Door Opening at 8.30 a.m. :: FHNW Brugg-Windisch
International Dual Career Day with PSI and IDCN

Have you recently moved to Switzerland with your partner / spouse?
Is your partner / spouse still looking for a job?

Then please tell her or him to register for this upcoming event organized by PSI at FHNW Brugg-Windisch.

The International Dual Career Network (IDCN) is a non-profit organization formed through the collaboration of academic institutions, companies and NGOs with the purpose of facilitating the job search for mobile employees' partners, and providing member companies access to a turnkey pool of talent. Since 2017, PSI is a corporate member of IDCN (Zurich Chapter).

At the event the partners will have the opportunity to:

- collect useful information on how best to search for jobs in the region
- get visibility of job opportunities and meet with recruiters from the corporate members
- Receive practical tips and guidance from human resources professionals on how to prepare for and organize their job search in the most effective manner

- share success stories, valuable experiences and challenges with other partners
- build meaningful relationships and networks which will help to move ahead

Registration is mandatory. Please visit www.idcn.info
